Of the \$50, the clerk of the court retains \$1 for administrative purposes and forwards the remaining \$49 for deposit into the CCTF. Appendix B provides a comparison of payments and collections by county and judicial circuit.

#### Crime Stoppers Trust Fund

Authorized by §16.555, F.S., the Crime Stoppers Trust Fund (CSTF) provides funding for eligible crime stopper organizations in their crime fighting programs which provide a mechanism for private citizens to retain their anonymity when providing information relating to unsolved crimes. Section 938.06, F.S., imposes an additional surcharge of \$20 on fines for criminal offenses, which is collected by the clerks of the courts to be deposited into the CSTF, with the clerk of the court retaining \$3 as a service charge. Total CSTF receipts and expenditures during FY 2013-2014 are shown in the chart on page one.

#### Florida Crime Prevention Training Institute (FCPTI) Trust Fund

#### Council on the Social Status of Black Men and Boys (General Revenue)

The Council is funded through general revenue. For FY 2013-2014 the Council received a non-recurring appropriation of \$176,000, along with the recurring appropriation of \$50,000. These funds were allocated to the Office of the Attorney General for administrative staffing, travel, meeting costs, public notices, printing, and other operational expenses.

## **BUREAU OF ADVOCACY AND GRANTS MANAGEMENT**

---

The bureau provides regional victim advocacy and appellate notification to victims of crime, and administers the Address Confidentiality Program and federal Victims of Crime Act (VOCA) assistance grants. As part of the outreach and clearinghouse functions, the bureau maintains a Victim Services Directory of victim service providers by judicial circuit, and maintains the Adult and Child Sexual Assault Protocols: Initial Forensic Physical Examination.

In order to better serve the public, save time, save money and improve access, the Office of the Attorney General (OAG) has developed an online grant administration program called the Subgrantee Technology Automated Resource System (STARS) for use with the VOCA assistance grants. Work on the project began in May 2011, and the system was available to sub-grantees in January 2014.

### **Address Confidentiality Program**

---

Pursuant to §741.401 through §741.465, and §97.0585, F.S., the Address Confidentiality Program (ACP) provides a substitute mailing address for relocated victims of domestic violence and stalking, with this office serving as legal agent for receipt of mail and service of process. In addition, staff provides training and certifies applicant assistants statewide to assist eligible victims in applying for participation in the program. The ACP is also intended to prevent public access to client information through public records, such as voting records. This year's activities included:

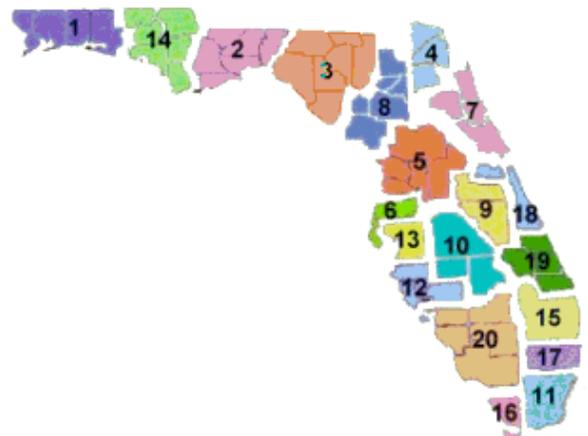

- 1084 active participants
- 64 renewal applications processed
- 309 new applications processed

### **Advocacy**

---

Regional victim advocates represent the Attorney General's Office throughout the state, providing a direct conduit between local victim services organizations and this office to promote the awareness of victims' rights. To advance the goal of ensuring these rights are afforded to the state's diverse populations, specific outreach initiatives are directed toward Haitian and Spanish speaking populations in south Florida. Additionally, regional victim advocates:

- Schedule and provide training to allied professionals related to Division of Victim Services programs, such as the Address Confidentiality Program, Victim Compensation, Identity Theft, Economic Crime, Domestic Violence Relocation, and Sexual Battery Relocation. In 2013-2014, 383 trainings/presentations were conducted for approximately 7,817 participants.
- In addition, more than 32,700 students and 796 parents attended 285 CyberSafety presentations.
- Troubleshoot victims' compensation claims in order to assist both victims of crime, service providers, and victim compensation analysts. In 2013-

2014 technical assistance was provided for approximately 8,239 inquiries related to victim compensation claims.

- Provide direct assistance to victims by offering information and referral, crisis intervention, education related to the criminal justice system, and victim compensation assistance. In 2013-2014, more than 7,712 inquiries from victims and agencies were resolved.

### Criminal Appellate Notification

This year's activities included:

- Over 14,700 services (accompaniment to court, letters to victims, electronic record of court proceedings, etc.) were provided.

### Capital Appellate Notification

This year's activities involved:

- 658 survivors and next-of-kin served

### Victims of Crime Act (VOCA) Assistance Grants

The federal VOCA assistance grant program offers funding to eligible public and private nonprofit organizations for use in responding to the emotional and physical needs of crime victims, assisting victims in stabilizing their lives after their victimization, helping victims to understand and participate in the criminal justice system, and providing victims with a measure of safety and security. The Bureau of Advocacy and Grants Management continued to administer the VOCA funding during the 2013-2014 federal fiscal year, October 1 through September 30. The grant process begins in January each year. Appendix C is a listing of the amounts awarded for VOCA sub-grantees during 2013-2014.

The state's allocation of the federal fund is based on Florida's population in relation to all the other states and designated territories. Federal guidelines that govern the states' use of VOCA funds may be viewed online at <http://www.ojp.usdoj.gov/ovc/voca/vaguide.htm>. Additional program information is available online at <http://myfloridalegal.com>; Links to administration information, STARS, and forms used by VOCA sub-grantees are available here.

## **BUREAU OF CRIMINAL JUSTICE PROGRAMS**

---

In 1982, the Florida Crime Prevention Training Institute (FCPTI) was established (Section 16.54, F.S.) in the Office of the Attorney General as part of the “HELP STOP CRIME” program. The Bureau of Criminal Justice Programs was established within the Division of Victim Services in 1991 and provides statewide public education and training programs for law enforcement personnel, school resource officers, victim advocates and other interested persons on crime prevention initiatives, school-based officer programs, victim advocacy and related criminal justice areas.

In addition, the bureau administers the Crime Stoppers and Urban League grant programs, the annual National Conference on Preventing Crime in the Black Community, the Florida Council on the Social Status of Black Men and Boys, the Law Enforcement Death Benefits program, the Safe Neighborhoods Act, and the Convenience Business Security Act.

Our website, [www.fcpti.com](http://www.fcpti.com) allows us to market FCPTI nationally and allows for on-line course registrations. Currently, approximately 98% of all registrations are received from on-line registration, which reduced the costs of paper and mailings.

The goals and objectives of FCPTI are:

- Develop and maintain a standardized, comprehensive crime prevention, victim services, and school resource officers training curriculum throughout the state.
- Keep victims, practitioners in the field of crime prevention and school resource officers up to date on new prevention methods, ideas, and problems in crime prevention.
- Assist in making crime prevention an integral part of law enforcement and the community.
- Continually develop and implement new and innovative training programs.

### Florida Crime Prevention Training Institute (FCPTI)

---

FCPTI courses are designed to provide comprehensive crime prevention training to Florida’s law enforcement community, school resource officers, victim advocates, citizenry and industry to enable them to control crime by denying criminal opportunity and behavior. Authorized in Section 16.54, F.S., the FCPTI Revolving Trust Fund is self-sustaining and is funded by tuition payments paid by training program participants. Training schedules may be accessed at [www.fcpti.com](http://www.fcpti.com).

Numerous practitioner designation programs are offered to include: Crime Prevention, Crime Prevention Through Environmental Design, Elderly Crime, School Resource Officer (SRO), and Victim Services. In addition, this office provides a certification to law enforcement officers in Convenience Store Security. The Attorney General’s Office is the primary source of training for crime prevention, victim services, elderly issues, and school resource officers (SRO) statewide and is a national leader in these fields.

Individuals trained by FCPTI play a vital role through community education in reducing crime and victimization statewide. Curriculum development is coordinated with the respective organizational entities

to which they relate (i.e., Florida Association of School Resource Officers, Florida Crime Prevention Association, Florida Department of Law Enforcement, and Florida Department of Education). This year's activities included:

- 74 courses
- 3791 attendees
- 606 designations awarded
- 1697 classroom hours

### Crime Prevention Practitioner Designation Training

The crime prevention practitioner designation (FCPP) is awarded to those individuals who successfully complete a series of three comprehensive crime prevention courses offered through FCPTI. The curriculum includes instruction in basic crime prevention, commercial crime prevention, and residential crime prevention. To maintain the designation, practitioners are required to attend refresher courses every three years. There are approximately 4277 crime prevention practitioners throughout the state. Over 25 percent of the state's law enforcement officers have received crime prevention training. Additional crime prevention training is evolving to respond to current trends and conditions. This year's activities included:

- 32 courses
- 2257 attendees
- 277 designations awarded
- 977 classroom hours

### Crime Prevention Through Environmental Design Practitioner Designation Training

In 2004, the designation of Florida Crime Prevention Through Environmental Design Practitioner (FCP) was made available to individuals who successfully completed sixty-four hours of comprehensive CPTED courses offered through FCPTI. Designed for crime prevention and community oriented policing officers, planners and architects, the designation provides officers and civilians with the skills necessary to deliver comprehensive CPTED programs to Florida's residential and commercial industry, as well as local government.

- 57 designations awarded

### Elderly Services Practitioner Designation Training

In 1986, the Attorney General's Office began training on elder issues with a series of one-day workshops across the state on "Fraud Against the Elderly." This led to the design of a five-day "Crimes Against the Elderly" course that was eventually adopted by the Florida Department of Law Enforcement (FDLE) as an "Advanced" course. With a growing senior population, there was an increase in elderly criminal victimization such as financial exploitation, abuse and neglect. To meet the demand for further training and a designation, the Attorney General's Office expanded training for law enforcement and those professionals who interact with this population on a daily basis. These courses provide participants with detailed information on the role of the law enforcement officer in combating senior crime, in establishing prosecutorial cases, and a comprehensive look at abuse and neglect.

To earn the Florida Elder Crime Practitioner Designation (FECF), a participant must successfully complete eighty-eight hours of instruction offered through FCPTI within a period of three consecutive years. The requirement includes the forty-hour Crimes Against the Elderly course and two twenty-four hour courses. It is recommended that the forty-hour course be completed first.

- 24 designations awarded

### School Resource Officer Practitioner Designation Training

The objective of the School Resource Officer (SRO) training is to enhance the skills of school-based professionals who deal with juvenile issues on a daily basis. The classes are designed for SROs, school administrators and staff, and other professionals who work with students in campus settings. The SRO curriculum includes an advanced training (i.e., salary incentive) course that has been approved by the Criminal Justice Standards and Training Commission. Officers have the opportunity to earn the SRO practitioner designation with completion of the basic SRO course and an additional 90 hours of FCPTI juvenile-related courses. 311 officers have obtained the designation since its inception in 1988. In addition, a new “SRO Specialist” program was developed for those SROs that cannot attend the required hours for a designation. This year’s SRO training activities included:

- 7 training courses
- 265 attendees
- 12 designations awarded
- 232 classroom hours
- 94 specialist designation

### Victim Services Practitioner Designation Training

Victim training programs are designed for novice and veteran victim advocates and allied professionals to enhance crisis intervention skills and increase awareness of available services and resources. The curriculum consists of victim services practitioner designation classes, advanced advocate training, and issue briefings. The designation program (VSPD) is a five-day course designed to improve the knowledge, skills, and abilities of service providers. This designation is valid for four years and may be renewed by providing evidence of 24 hours of non-agency victim related training during the four-year period, including advanced advocate training. Approximately 5148 designations have been awarded since inception of the program in 1995. Advanced advocate training is designed to enhance the skills and abilities of experienced victim service providers. Issue briefings focus on current issues from a local perspective. This year’s victim services training included:

- 35 training courses
- 819 participants
- 248 designations awarded
- 488 classroom hours

The 2014 conference was held in Jacksonville, Florida, and attracted 1155 participants from 16 different states.

## Council on the Social Status of Black Men and Boys

In January 2007, the division was tasked with administering the Council on the Social Status of Black Men and Boys, created by the 2006 Legislature. This nineteen-member council is charged with conducting a systematic study of the conditions affecting black men and boys including homicide rates, arrest and incarceration rate, poverty, violence, drug abuse, death rates, disparate annual income levels, health issues and school performance. The goal of the council is to propose measures to alleviate and correct the underlying causes of the conditions described above. The council is mandated to issue an annual report to discuss its findings, conclusions, and recommendations to the Governor, the President of the Senate, and the Speaker of the House. The Council published its inaugural annual report in January 2008.

Each member of the Council is appointed to a four-year term. The Council is required to meet quarterly with additional meetings to be held at the call of the chairperson or a majority of the Council members. This year's activities included:

- 18 Full Council Meetings

The programs operate in Fort Lauderdale, Jacksonville, Miami, Orlando, Saint Petersburg, Tallahassee, West Palm Beach and the Derrick Brooks Charities (Tampa).

The Black-on-Black Crime Prevention Program is a public awareness and education effort to motivate the black community to support, promote and participate in crime prevention programs and activities. The Office of the Attorney General is required by statute to review and approve the training curriculum used by convenience businesses for training their employees. Since the inception of the program, FCPTI has trained and certified approximately 400 law enforcement officers who make periodic inspections of the convenience businesses in their geographical areas. Violations are reported to and investigated by this office. Continued noncompliance may result in a fine of up to \$5,000 or an injunction for closure of the business.

The Convenience Business Security program has been unfunded since 1992 (See §812.1725-§812.176, F.S.). Bureau staff continued to handle the administrative responsibilities of the Act. During FY 2012-2013 activities included:

- 11 violation complaints processed
- 227 technical assistance responses
- 0 inspectors certified

### Crime Stoppers Grant Program

Pursuant to Section 16.555, F.S., the Crime Stoppers Act is designed to enhance public awareness of crime prevention methods and train the public in personal safety principles. The Crime Stoppers organizations and law enforcement agencies successfully investigate and solve crimes and remove criminals from the communities. The staff works closely with the Florida Association of Crime Stoppers, Inc., and the recipient organizations regarding use of the funds. The staff performs annual training and orientation to assist the organizations in understanding statutory and regulatory spending requirements of state funds. In addition, staff conducts on-site performance reviews and desk audits on grant recipients.
